

The Warrington Business School

Business Breakfast Invitation

in partnership with the Warrington Chamber of Commerce and Industry

Business Breakfasts at The Warrington Business School are motivational and thought provoking morning sessions providing an opportunity for networking and informative discussion for businesses across Warrington.

The Warrington Business School are hosting Business Breakfasts bi-monthly for local employers and organisations. The agenda for these sessions is as follows:

7.00am - 7.30am = Breakfast and networking
7.30am - 7.40am = Introductions
7.40am - 8.00am = Guest Speaker and Discussion
8.00am - 9.00am = Networking

We hope to represent the interests of business on a wide range of issues including economic development, employment, education and skills, European & Regional affairs, planning, transport and environmental matters.

We can also provide informative updates on subsidised training and funding opportunities to benefit your organisation.
