

Hairdressing & Barbering Apprenticeships at NVQ Level 2 & 3

Apprenticeships support hairdressing and barbering salons by offering a route to connect with fresh new talent. The Warrington Business School also offers a range of flexible and bespoke training to help your team increase their performance and improve their skills. Excellent skills will increase business and reputation.

How will an Apprentice benefit my business?

Apprenticeships are a proven way to train your team. They can enhance your organisation, make it more effective, productive and competitive by addressing skills gaps directly. Apprentices tend to be eager and loyal to the company investing in them, reducing staff turnover. Apprentices gain the relevant qualifications including up to date techniques and will increase productivity, repeat business and minimise staff turnover.

Why do your team need this qualification?

The courses will give your team a nationally recognised qualification, develop and increase their practical skills, essential knowledge and understanding. Apprenticeships make good business sense as skill shortages are still one of the major threats to UK companies

How long are the programmes?

The NVQ Level 2 Apprenticeship in Hairdressing or Barbering is an 18-24 month programme, NVQ Level 3 Apprenticeship in Hairdressing is a 12 months programme. All programmes are bespoke to your organisational needs, delivered at a time and place to suit you and fast track is available.

How do Apprenticeships work?

The programme runs for two years and is bespoke to your organisational needs, delivered at a time and place to suit you. Assessments will take place on site and the employer will be informed of the apprentices progress throughout their programme.

What other types of training are available?

Hairdressing	Health + Safety
Hair Extensions	First Aid
Barbering	Customer Service

Our flexible and bespoke courses help your employees reach their full potential and provide you with a more motivated workforce.
